MO	Reading	English Story Writing – Message in a Bottle Continue from idea started on Friday. Create a Story Board as a plan.	Maths Timetables practise: Chant/sing tables X3, x4, x5, x6 Amazon Music I say a times table question, they write answer on whiteboards. Dividing by 10 and 100 (1000) Using place value grid to demonstrate how the digits move to the left and right when times and dividing by 10, 100 and 1000. Make the link for how many places they move to the number of zeros in 10, 100, 1000. Zeros are used as place holders to make the answer (DO NOT use the term ‘add a zero’ when multiplying)	Golden Mile	Reading	Foundation History Gods fact file In books draw the gods and goddesses and write facts about them, use the sheets provided and previously taught knowledge. Colour pictures once the writing has been completed.	Class Reader
TU		Finish story boards and start writing their story.	Recap on rules for times and dividing by 10, 100 & 1000. A few examples on whiteboards Children practise to consolidate – worksheets.			Finish fact files Create your own (work sheet)	
WE		Premier Sport				Mrs Miller Art	
TH		Supply to be confirmed					

FR		PE	Maths Times and divide 10, 100 & 1000 Await outcomes of Monday and Tuesday lessons to assess.			Ukulele
