Dear Parents/Carers

At Kingston St Mary Primary School, we are passionate about ensuring your children gain the best possible education and a key part of that is developing an enjoyment of reading, which requires us to ensure pupils have access to new and rich literature - a costly task.

On behalf of all the teachers and pupils at Kingston St Mary, I would like to say a massive thank you to those families who have already helped us raise money to buy new books for our library and individual classrooms through the Sponsored Read. I have taken lots of requests from those children and staff and our library collection is definitely growing.

I am aware that not all families were able to take part in the sponsored read, if you would still like to support the school by purchasing a new book and adding it to our new, rich and varied collection there is still time. I have managed to set up an Amazon Wish List for each of our classes and our teachers have carefully selected wish list books, which we know will greatly benefit and support the children's learning.

If you are able to support us in purchasing new books, please follow/click on the links below, which will take you to each of the classes' wish lists. All you need to do is add a book to your basket and follow the same process as if you were ordering something for yourself. The items can be delivered directly to our school and removed from our wish list. Please add a comment on your order to let us know who has kindly donated the book.

Here are the links for each class wish list:

Woodies https://www.amazon.co.uk/hz/wishlist/ls/E6IETQR1O7JQ?ref=wl_share

A big thank you from all at Kingston St Mary, we greatly appreciate your support and generosity. The staff cannot effectively deliver their high quality teaching and learning without this partnership.

Best Wishes
