Dear parents/carers

As part of our topic 'The Seaside', Buzzards will be making fairground wheels in DT. The children will be designing these this week, with the aim of creating a structure, after half term, that rotates and stands freely.

As it was such a success last year with parents and carers joining the children to make shoebox habitats, I would like to invite you (or a grandparent/other family member) into school to collaborate with your child to create their fairground wheel on **Monday 2nd June. We will work in the hall from 9am and aim to finish by around 10.15.**

Over half term, please collect extra of any of the following materials that you might already have at home (please note that there is no need to go out and buy items specifically for the activity):

- Food packaging - thin enough to cut through - for the base (e.g. Cereal box recommended, or plastic milk carton/biscuit box). **Every child will need one of these.**
- Egg cartons
- Yogurt pots
- Other materials to embellish and decorate their fairground wheel – sequins, pipe cleaners, tissue paper, googly eyes, etc.

Paper plates, lolly sticks, card, straws, split pins and other decorating materials will be provided by school.

Please complete the form below with your availability for this session and return to the school office by **Thursday 22nd May.**

I look forward to an enjoyable morning with lots of creativity and appreciate your ongoing support.

Yours sincerely,

Mrs Cook
Buzzards Class Teacher (Monday's)
