### Science Week

Science Week has been a great success, with pupils engaging in meaningful discovery, thoughtful exploration, and purposeful problem solving across the school. Children demonstrated curiosity, teamwork, and a growing confidence in applying scientific thinking.

Thank you to all the families who participated in the Eco-System Challenge. The range and quality of the eco-systems created were impressive, and pupils enjoyed sharing their work with their peers.

Well done to the winners:

Owls – Cody

Buzzards – Hazel

Robins – Cecily

Woodpeckers – Alfie C

Thank you to Mrs Cook for organising and leading the week so effectively. Thank you also to Year 6 Science Ambassadors, whose support and enthusiasm contributed greatly to the smooth running of activities during lunchtimes.

### May Dancing

Following postponing the May Dancing on Tuesday, we have set a new date for Wednesday 3<sup>rd</sup> June, 2.00.

### Road Safety at Drop-off and Pick-up

We have received a letter from concerned residents regarding safety at drop-off and pick-up times.

They have observed car doors are opened into the road while traffic is passing, children exiting vehicles into the road without an adequate check for oncoming traffic and vehicles stopping or parking on the zig-zag markings near the school entrance.

If you must park on the road at these times, please make sure that you are parking away from the zig-zag lines and that you are observant of the passing traffic when children are exiting the vehicle.

Thank you for your continued support. I hope you have a lovely May half-term.

### Christian Value - Humility

Christians believe that Jesus was both servant and king. He demonstrated this through His life, death and resurrection.

Jesus taught his disciples what it means to be truly humble. Christians believe that they can serve God by demonstrating humility through their attitudes and actions.
