KINDNESS RESPECT RESPONSIBILITY RESILIENCE

Welcome back and to the spring term which has certainly started with a bang. Happy New Year! I hope you enjoyed the Christmas break.

Ofsted

There is not a lot I can share with you at this time and I don't have an exact timescale as to when we will receive the report but believe it will be towards the end of January. As soon as we are able, we will share it with you.

I would like to express my extreme pride in our pupils whose behaviour and interactions with inspectors was exemplary.

Thank you to the many parents who completed the questionnaire and sent messages to the inspector. They were impressed with the high number of responses they received. The results of the questionnaire were shared with us along with some of the comments in your messages which were overwhelmingly positive and truly appreciated.

Finally, thank you to the staff who kept a sense of calm and normality (as much as is possible with two strangers in the school) for the children during what was an incredibly intensive few days.

Headteacher Recruitment

Interested candidates have been meeting governors to look around the school this week. The closing date for applications is Tuesday 13th January with interviews taking place on Wednesday 28th and Thursday 29th January.

SENDCo

Mr Edwards started with us on Thursday, which will be his regular day during the next two terms. He will start to contact parents of children on the SEN register next week to introduce himself and to arrange meetings as required.

Events already planned are included opposite. We will send out more information about different events as they happen.
